

FORMULA SAE TIRE TEST CONSORTIUM — PARTICIPANT AGREEMENT

Thank you for your participation in the Formula SAE Tire Test Consortium (FSAE TTC). Membership in the TTC is granted to schools that have paid the one-time US\$500 registration fee. Individuals (students, faculty, etc.) from member schools who make use of the TTC membership agree to the following terms:

1. Your school's membership entitles you to all data collected by the FSAE TTC (2005-present). Access to this data is through the FSAE TTC secure forum at www.fsaettc.org. Individual username requests require a valid, personal, university-domain e-mail address.
2. You may use this data within your school (Formula SAE, Senior Design Projects, research, etc.). You may also share this data with industry supporters who are helping your Formula SAE team make use of the data. Those in industry may not make any use of the data except to assist your Formula SAE team.
3. You may not use this data outside of your school (e.g., summer jobs, post-graduation positions). You are prohibited from donating or selling the data to any other individual, group, team or university, or posting it on the internet. Commercial use of this data is prohibited.
4. Presentation/publication of the data in de-identified graphical or tabular form is permitted, provided the author acknowledges the "*Formula SAE Tire Test Consortium (FSAE TTC)*" and the "*Calspan Tire Research Facility (TIRF)*".
5. Your school's FSAE/FS car will display the Calspan decal in every year the data contributes to the design of the car.

If you do not agree to the terms of this agreement you should ask for your personal secure-forum username to be terminated and you should stop using the data. Your school's membership will remain in effect.

Direct any questions to FSAE TTC Co-Director Dr. Edward M. Kasprzak, kasprzak@fsaettc.org

FORMULA SAE TIRE TEST CONSORTIUM — PRIVACY POLICY

The FSAE TTC collects contact information for each registered consortium member. This information will only be used for TTC-related purposes and will never be shared beyond the TTC Directors. Username requests on fsaettc.org require submission of a valid, personal, university-domain e-mail address (no team domains or company domains). The TTC Directors will occasionally e-mail you with TTC bulletins. Your e-mail address will never be shared beyond the TTC Directors. Your e-mail address must be able to receive TTC e-mails to keep your username active.
